PROFESSIONAL EXPERIENCE

Product Coordinator & UX Strategist

dec 2024 - Jun 2025

Abajim – Sousse, Tunisia

Driving product vision through design, coordination, and user-focused strategy

- Coordinated day-to-day product activities between design, development, and marketing teams to ensure consistent progress and alignment.
- Designed and iterated UI/UX prototypes to improve user flow and engagement, using Figma.
- Led the creation of digital marketing strategies to support product launches and growth, focusing on audience targeting and user conversion.
- Collaborated with stakeholders to define product roadmaps and translate business goals into actionable features.
- Conducted user research and feedback analysis to continuously enhance product experience and usability.

Front-end developer (End of study intern)

Feb 2024 - Jun 2024

Pixelium– Sousse, Tunisia

- Developed the front end of a CRM application focused on optimizing internal company management processes.
- Implemented intuitive dashboards and interfaces for real-time monitoring of key operations.
- Enabled advanced financial and technical health checks through well-structured UI components.
- Integrated tools to track employee performance and improve team accountability.
- Enhanced project management workflows, ensuring smoother execution and increased operational efficiency.
